HALO & BOOST WORKSTATION RANGE

Introducing the Rapidline Halo and Boost range, the pinnacle of ergonomic excellence, designed to enhance productivity and comfort in your workspace.

The Halo+ is a symbol of unparalleled excellence. Its sleek profile with designer round leg, customisable features, and intuitive controls redefines the standards for premium workstations. Effortlessly customise your workspace with its user-friendly digital control panel, complemented by anti-collision technology and whisper-quiet operation.

Leading alongside is the Boost+, an exemplar of height-adjustable workstations, surpassing industry standards with its low noise emission, safety features, and sturdy build. Choose from various configurations, sizes and colours. You can now also opt for manual height-adjustment with our brand new Boost Manual Crank workstations.

Explore popular additions to the Boost range – Boost Light and Boost Static. Combining affordability with quality, Boost Light offers a cost-effective height adjustable solution with premium features, while Boost Static provides exceptional durability as an ergonomic fixed-height workstation.
